PETITIONING THE COURT

To issue a SUMMONS and incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the court on 08/01/2019.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Nature of Noncompliance
------------------	-------------------------

3

Special Condition #6: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: William Cloninger violated special condition number 6 by consuming a controlled substance, methamphetamine, on or about August 12 and September 2, 2019, and he failed to report for urine testing as directed on August 1, 6, 30, and September 4, 2019.

Mr. Cloninger reported as directed to the U.S. Probation Office on August 12, 2019, to provide a urine test. He submitted a urine sample that tested positive for methamphetamine, a controlled substance. At that time, Mr. Cloninger denied use and the sample was sent to Alere laboratories for confirmation. On August 21, 2019, the sample was returned as positive for methamphetamine and amphetamine.

Mr. Cloninger reported as directed to the U.S. Probation Office on September 5, 2019, to provide a urine test. Mr. Cloninger submitted a urine sample that tested positive for methamphetamine, a controlled substance. Mr. Cloninger admitted to the use of methamphetamine and signed a drug use admission form.

Mr. Cloninger failed to submit to urine testing as directed. Mr. Cloninger's random color of "Brown 1" was called at the vendor site on August 1, 6, 30, and September 4, 2019. Mr. Cloninger failed to report to the vendor site to provide a urine sample as directed on August 1, 6, 30, and September 4, 2019.

On January 11, 2019, William Cloninger signed his judgment for case number 2:16CR00131-WFN-1, indicating he understood all conditions ordered by the Court. Specifically, Mr. Cloninger was made aware by his U.S. probation officer that he must not consume controlled substances and must report as directed for urine testing.

The U.S. Probation Office respectfully recommends the Court issue a **SUMMONS** requiring the offender to appear to answer to the allegation(s) contained in this petition.
